
SPONSOR
The International Association of Science and Technology for Development (IASTED)

EDITOR
P. Locke – Texas Christian University, USA

TUTORIAL PRESENTER
H. Stein – Bloomberg, USA

SPECIAL SESSION ORGANIZER
E. Bayraktar – University of Michigan, USA

INFORMATION ON PUBLICATION
For each IASTED conference, the following review process is used to ensure the highest level of academic content. Each full manuscript submission is double blind reviewed by a minimum of two separate reviewers on the International Program Committee/Additional Reviewers list. The review results are then compiled. If there are conflicting reviews, the paper is sent to a third reviewer.
