# TABLE OF CONTENTS

- **Keynote Presentation - Some Experiences with Bank Effects and Ship Squat in Restricted Shallow Navigation Channels**
  - L. Daggett
  - Page 1

- **Systematic Model Tests on Ship – Bank Interaction Effects**
  - E Lataire, M Vantorre, K Eloot
  - Page 29

- **Comprehensive Vessel Hydrodynamics Model for Prediction of Sinkage, Mooring Forces, Bank Hydrodynamic Effects and Coastal Impacts**
  - S. W. Fenical, J. D. Carter
  - Page 80

- **Bank Effect on Ship Squat**
  - P. Debaillon, E. Lataire, M. Vantorre
  - Page 108

- **Ship Squat for Researchers, Masters and Pilots**
  - Dr C B Barrass
  - Page 157

- **Sensitivity Study of PIANC Ship Squat Formulas**
  - M. J. Briggs
  - Page 174

- **Computation and Validation of Passing Ship Induced Waves in Confined Water**
  - P Naaijen
  - Page 208

- **Investigation of the Influence of a Vertical Wall on a Ship Moving with Drift Angle**
  - A Gronarz
  - Page 236

- **Simulation of Ship Manoeuvring in Laterally Restricted Water**
  - J T Duffy, M R Renilson, G A Thomas
  - Page 259

- **Research on Ship Dynamics of Large Containerships in Confined Fairways**
  - K Uliczka, B. Kondziella
  - Page 314

- **Ship Manoeuvring in Shallow Water with Ship-Bank Interaction Effects**
  - A Manman, A Priyanto, Rahimuddin, A Baidowi, Nurcholis
  - Page 320

- **Roll Motion of Containership in Shallow Water**
  - E. M. Milanov, V.Y. Chotukova
  - Page 368

- **Study on the Algorithm of Collision Avoidance for Large Container in Shallow Confined Waterway**
  - N S Son, Y Furukawa
  - Page 400

- **Numerical Simulation of the Viscous Flow Around a Ship Undergoing Unsteady Berthing in Shallow Water**
  - Hua-Ming Wang, Zao-Jian Zou, Xi-Min Tian
  - Page 408

- **Evaluation of Ship-Bank and Ship-Ship Interaction Forces Using a 3D Panel Method**
  - Page 448

- **Action/Reaction and Interaction: A Case Study of a Failed Overtaking Manoeuvre in a Confined Waterway**
  - P. Drouin, G. Bussieres
  - Page 493

- **STS (Ship-To-Ship) Research at NTNU/MARINTEK**
  - Bjornar Pettersen
  - Page 498

- **Prediction of Manoeuvrability of a Ship at Low Forward Speed in Shallow Water**
  - S W Kim, D J Kim, K P Rhee, D J Yeo
  - Page 527

- **Workshop Friday 15 May – Overview**
  - N/A
  - Page 533

- **Manoeuvring in Shallow and Confined Water and the Role of the International Towing Tank Conference**
  - K. Agdrup
  - Page 546

- **Manoeuvring in Shallow and Confined Water and PIANC WG 49 Activities**
  - M. Briggs, M. Vantorre
  - Page 555

- **Manoeuvring in Shallow and Confined Water: Expectations of the Pilots: EMPA**
  - J. Caramin
