2011 6th International Conference on Product Innovation Management

(ICPIM 2011)

Wuhan, Hubei, China
16-17 July 2011
Contents

PID1872317  An Empirical Study on the Innovation Performance of National Hi-Tech Zones in Central China  
Xie Jialong, Wu Kai  
1

PID1872503  Study on Technology Marketing Evaluation of Chinese Auto Companies Based Fuzzy Matrix Method  
Wang Song, Xie Jialong  
5

PID1872547  Research on the Construction of Technological Innovation Service Platform for Auto Parts Industry  
Li Zenghui, Liu Xingxing, Xie Jialong  
8

PID1872965  The Evaluation on Social-Eco-Efficiency on Industrial Enterprises of Guangdong Province  
Li Ping  
14

PID1873481  Research on Applying the Internet to Innovate on Products of China’s Travel Agencies  
Yuan Jun, Zhou Xiao, Cheng Congxi, Kou Qian  
21

PID1880287  The Current Situation Analysis and Suggestions Study of Talent Integration of “Two-oriented” Society Construction in Wuhan Cities Circle  
He Shan, Tao Man  
25

PID1880945  Strategies Research of Xiangyang City’s New Energy Automotive Industry Development  
Zuo Jihong  
29

PID1880961  An Empirical Study on Relationship between China’s Human Capital Level and FDI Technology Spillover: 1985-2009  
Zhang Hongxia, Yuan Lin  
33

PID1881013  Product Development Research Based on the Quality Function Deployment  
Lu Yuduo, Yu Jiao, Liu Feng  
38

PID1881061  Evaluation of Enterprise Technology Innovation Ability Based on Factor Analysis  
——Taking high-tech enterprises of six provinces in central China as an example  
Hou Renyong, Fu Chaochao  
43

PID1881097  Does R&D Investment Promote Firms’ Performance? Evidence from the Pharmaceutical and Biological Products Listed Firms  
Zhu Zhaohui, Chai Xiaokang  
48

PID1881209  Analyses of China’s Economic Growth Mode Investment Analysis  
ShenYanLing  
52

PID1881245  Study on Estimation of High-Tech Zone Base on AHP Method  
Dai Dongqiang  
55

PID1881271  Analysis of the Interaction Development between Industrial Clusters and Logistics Parks  
Zhou Rong, Cheng Guoping  
58

PID1881301  A Research on the basic Issues of the Vehicle Quality Chain Management  
Cai Chen, Liu Jieming  
61

PID1881303  Innovative Approaches towards Data Collection Process for New Product Development  
Umijon Ahunjonov Maxamadumarovich, Raja Irfan Sabir  
65

PID1881327  Risk of Social Disruption and Integration Function Development of News Products of Traditional Media in the Digital Age  
YIN Qi  
70

PID1881367  The Empirical Research on the Performance of Stock Options Incentive  
Hu Haxia, Wang Jue  
75

PID1881443  Study on Corporate Vitality from Perspective of Dynamic Capabilities View  
YAO Xiang, XU Yanmei, LIU Long  
79

PID1881795  Industry Status Analysis based on Input-output Method  
Bu Hongyun, Zou Yantao  
87
Research on Coupling Mechanism of the Enterprise’s Technology Management Competence and Network Competence  
HAO Shengbin  
94

Research on Supply Chain Contract Design under Information-sharing  
HE Kailun, LIANG Weihua  
98

Research on Performance Evaluation of Chinese Joint-Stock Commercial Banks Based on Factor Analysis  
Dai Wenjie  
103

An Exploration of Hospital Management Innovation with Patient Perceived Value Based on the study in Taizhou Hospital of Zhejiang Province  
Qian Hui, Li Guobo, Wang Yaohui, Chen Haixiao  
108

Production Scheme Optimization of Changjiang River’s Shipping Goods  
Wan Hong, Tao Dexin  
112

The Research on Product Color Design Based on Harmony Rules  
Su Hefen, Jiang Weixian  
116

The Research on Product Design Elements Based on Five-element Balance  
Jiang Weixian, Su Hefen  
120

The Status Analysis and the Countermeasures of the Quality Management of China’s Automotive Design Companies Based on ISO9001 Standard  
Zhao Li, Wang Zhongwei  
124

Research on Interaction Technological Talent Accumulation and Economic Development Level of Hubei Province  
Yang zhi  
128

Is Diversification Suitable for China’s Business Groups?  
Song Xiaqin, Xiang Xin  
131

Co-integration Analysis among Real Estate Investment, GDP and Output of New Wall Materials in China  
Ming Yan, Qian Chen  
135

Research on the Exhibition Design Strategy Based on Exhibition Value System  
Wang Min, Xie Jialong  
139

Environmental Protection and Management of Highway Construction in Mountainous Areas  
Li Hongjun  
143

Towards the Comparison of Competence of Typical Chinese Economic Development Zones  
Yonghong Zhan, Yanchao Xiong  
147

Conceptual Model of Tacit Knowledge Transfer within Organizations  
Chen Yali, Huang Taozhen  
151

A Model of Corporate Lifespan based on the Factor Analysis  
DU Weijuan  
155

Error Estimation of the Approximate Solution for Stochastic Differential Multi-delay System with Respect to Martingale  
Xu Lifeng  
159

Manifesting the Product Design Research on the Entertainment Emotion  
Cheng Haojun  
162

Research on the Incentive Mechanism of Reverse Logistics  
Yang Liwei  
166

The Application of Semantic Expression in Tableware Designs  
Liu Ling  
170

The Application of the Three-Dimensional Management View on the Innovative Product Marketing Channel Operation in Modern Telecom Enterprises  
Li Xiaowen, Tong Lili  
174

On Knowledge Management in Higher Education  
Li Lifang, Qin Ziling  
177
Evolutionary Game Analysis on Cooperation by Innovation Subjects in Regional Innovation System
Zhang Ying, Chen Bo

Exploration on Product Brand Innovation under Creative Management
He Fang, Hu Qi

Build Animation Derivatives Evaluation Model Base on the Function and Cost
Chen Wang, Wang Jun

Multi-project Management Based on the Critical Chain
AN Jianmin

Experience Economy from the Perspective of the Tourism Product Development and Innovative Ways
LI Hongna, ZHAO Liang

Analysis of Actual Value of Foreign Investment and Wuhan Regional Technical Innovation Ability
Wang Zhaoyang

When Does a Product Recall Hurt? An Investigation on Public Response
ZHANG Yin, FENG Xiaoliang, HUANG Minxue

Exploring New Trends of University Libraries by SPSS Cluster Analysis Method
——Take Wuhan University of Technology as an Example
Chen Zhenhua

Analysis on Causes and Solutions to Publishing of Excellent Books
Lu Lifing

Study on the Stability of Venture Capital Firms’Cluster
JIANG Bo, HU Yan

Research on vessel price interval Forecasting Model Based on the rough insensitive loss function SVR
ZHAO Tianyi, SUN Shengxiang

“Enshi, A Dwelling Place of Fairy” and Revival and Exploitation of the Stilted Building Architecture Brand
Jin Hui, Wang Yan

Research on Product Innovation in Tourism Development
Huai Jinnwei

The Role of Relationship Norms in Consumers’ Complaint Intention
ZHOU Yuanyuan, HUANG Minxue, ZHU Huawei

Strive to Develop Sports Insurance in China to Realize the Positive Interaction of Sports and Insurance Industry
Wang Heping, Yu Peng

The Tactics Selection of Product Innovation Based on Sunk Cost
Chen Weiyu, Gao Wenxiu

Research on Product Innovation Design Based on Knowledge
Guo Fang

Research on Enterprise’s Technological Integrated Innovation Mechanism
A Case Study of Geely’s Deal for Volvo
Gu Yu, Chen Qi

Industry Support Problem in the Urban Agglomeration Construction
Xu Jiangping

Research on Mode Analysis of Energy-saving Building Modular Development
Wang Qiankun, Huang Qian

Research on Promoting Policies for Housing Industrialization in Wuhan
Pan Shi, Wang Qiankun

The Analysis of SME Innovation Route
Zhang Yueling, Wang Jing, Yan Shujun

Product Innovation Design Based on Local Culture
Hu Yiping, Liu Yongqiang
