2011 International Conference on Management Science & Engineering 18th Annual Conference Proceedings

(ICMSE 2011)

Rome, Italy
13 – 15 September 2011

Pages 1-708
Contents

0001  Research on the Factors Affecting the Adoption of Supplier-retailers Inter-organizational Information Systems  
JIANG Yuan-zi, WANG Tie-nan, ZHOU Ai-hua, Harbin Institute of Technology ................................................. 3

0002  Study on the Method of Identifying Opinion Leaders Based on Online Customer Reviews  
MA Yu-tao, CAI Shu-qin, WANG Rui, Huazhong University of Science and Technology ................................. 10

0003  Modeling of Information Diffusion Based on Network Dimension-force  
ZHANG Jin-lou, LIU Zhi-bin, YU Jian-nan, Harbin Engineering University ...................................................... 18

0004  Prediction Based on Support Vector Machine for Travel Choice of High-Speed Railway Passenger in China  
KANG Shu, LI Jing, LIU Mei, Beijing Jiaotong University; ZHU Xin, China United Network Communications Group Co., Ltd ................................................................. 28

0005  The Effect of Online Word-of-Mouth in Electronic Markets: An Investigation of the Culture Differences in the Chinese and U.S. Contexts  
YU Xin-he, Harbin Institute of Technology; GUO Xi-tong, Harbin Institute of Technology, City University of Hong Kong; YAO Qi-yan, Harbin Institute of Technology, City University of Hong Kong ............................................. 34

0006  Evaluation of Knowledge Complementary Degree for Creative Industry Cluster Based on BP Neural Networks  
LI Yu-hua, TAN Jin-yan, HU Yao-ying, Harbin University of Science Technology .............................................. 41

0007  Research on Consumer Trust and Satisfaction in Mobile Commerce  
LIN Jia-bao, South China Agricultural University ............................................................................................. 47

Part Two  The Theories, Methodology and Application of System Engineering and Operational Research

0008  Network Governance at Local——A Comparative Approach  
A.Udayaadithya, Anjula Gurtoo, Indian Institute of Science ................................................................................. 55

0009  Capacity Flexibility Premium under Different Demand Uncertainties  
XUE Ming-gao, LIU Lin-lin, WANG Xiang-yang, Huazhong University of Science and Technology ............ 61

0010  Mechanism Model of the Influence on Board Structure from the Control of Single Blockholder  
DUAN Yun, DENG Hai-ming, Harbin Institute of Technology ................................................................. 67

0011  Modeling Solution and Properties Research on the General GM(1,1) Model  
ZHOU Wei, HE Jian-min, Southeast University ................................................................................................. 73

0012  A Study of a “Concussion-Response” Chaotic Synchronization Pattern for Enterprises  
ZHANG Tie-nan, JIANG Guo-ge, Harbin Engineering University ................................................................. 79

0013  The Analysis of State-owned Assets Management under Mutual Trust Mechanism Based on System Dynamics Model  
LI Gui-jun, LI Lin, Central University of Finance and Economics ................................................................. 85
System Dynamics Analysis for the Impact of Dynamic Transport and Information Delay to Disaster Relief Supplies

PENG Min, CHEN Hong, University of Electronic Science and Technology of China

Semidefinite Programming Relaxation for Portfolio Selection with Higher Order Moments

PENG Sheng-zhi, WANG Fu-sheng, Harbin Institute of Technology

Single-Resource Capacity Control with Random-Fuzzy Demand

LEI Jun-li, LI Jin-lin, RAN Lun, Beijing Institute of Technology

Application of Factor Analysis and Fuzzy C-Means for Classification of Knowledge Intensity in China’s Manufacturing Industry

SUN Bing, XI Xi, Harbin Engineering University

Extended VIKOR for Multi-criteria Decision Making Problems under Intuitionistic Environment

WU Ying-yu, YU De-jian, Southeast University

A Method for Multi-attribute Decision Making Based on ER-AHP

ZHANG Hong-tao, Anhui University of Science and Technology, Hefei University of Technology;
WANG Hui, SUN Ke-lei, Anhui University of Science and Technology;
WANG Dong-peng, Hefei University of Technology

Mediation and Moderated Mediation in the Relationship among Entrepreneurial Self-Efficacy, Entrepreneurial Intention, Entrepreneurial Attitude and Role Models

LIU Shao-hui, LI Ping, PENG Peng-peng, Harbin Institute of Technology

Research on Slotting Optimization in Automated Warehouse of Pharmaceutical Logistics Center

DENG Ai-min, CAI Jia, Hunan University

Mechanism Design of Profit Distribution for Dynamic Cooperation

ZHANG Qiu-man, LI Xiao-hui, University of Science and Technology Beijing

A Model of Interdisciplinary Research Based on the Double Knowledge Innovation View

JIN Zi-qi, JIANG Hua, WANG Xiao-hong, Harbin Institute of Technology

Research of Credit Risk Measurement Based on Compatibility Rough Set and Fuzzy Set

LI Xiao-qing, Beijing Institute of Technology

Research on Methods of Evaluating the Refined Safety Management in the Coal Industry Based on Fuzzy Mathematics

LIU Jia-mei, YAN Liang, China University of Geosciences;
ZHANG Xuan, Wuhan University

A Method of Group Decision-making Based on Preference Distance of Binary Relation

GUO Chun-xiang, SHI Rui-li, Sichuan University;
GUO Qiang, Southwest Jiaotong University

Application of Utility Management Based on Article Usage

YAN Bin, Nanjing University of Posts and Telecommunications;
WU Xiao-qin, Nanjing University of Posts and Telecommunications

Methodology of Index System Design: Principles and Realization

LI Tao, YU Yong-li, XU Ying, Mechanical Engineering College;
ZHANG Ya-tao, 93061th Troops, PLA

Principal-Agent Model and Risk Analysis under Asymmetric Information Condition

ZHANG Guang-ming, Guangxi University of Technology

The Optimal Inventory Model with Many Orders and Permissible Shortage

ZHOU You-jun, Liuzhou Teachers College;
CAO Liang, Guangxi Branch of Agricultural Development Bank of China;
PAN Yi-qian, Guangxi Normal University for Nationalities
Part Three  Industrial Engineering, Supply Chain Management, Management Innovation

0031 Path Analysis on the Effect of CEO Turnover on Enterprise Value
Based on Embeddability Perspective
WANG Fu-sheng, WANG She-yan, Harbin Institute of Technology ............................................ 199

0032 Supply Chain SAAS Mode: Matching Efficiency with Agility
WANG Hong-chang, XIAO Jing-hua, LAI Jin-tian, XIE Kang, Sun Yat-sen University ....................... 208

0033 Supply Chain Coordination with VMI Arrangement under Demand and Supply Uncertainties
YU Jian-hong, MA Shi-hua, ZHOU Qi-chao, Huazhong University of Science and Technology;
ZHANG De-zhi, Central South University .................................................................................. 215

0034 Coordination and Ripple Effect of a Coopetition Supply Chain with Quantity-discount Contract
ZHANG Qian, CHEN Hong, WU Zhong-he, XIE Dong-chuan, University of Electronic Science and Technology of China ................................................................. 222

0035 Research on Evaluation of Manufacturing Enterprises’ Core Competitiveness
Based on the Catastrophe Progression Method
XU Jian-zhong, LENG Dan, Harbin Engineering University .......................................................... 227

0036 Study on Coordinate and Incentive Mechanism for Car Rental Supply Chain
HOU Lin-lin, QUAN Tao, Beihang University ............................................................................. 237

0037 Research on the Price Negotiation Mechanism of Green Supply Chain of Manufacturing Industry from the Angle of Customer Behavior
DU Dan-li, FENG Zhen, ZHAO Hong-yang, Harbin Engineering University ............................... 244

0038 System Dynamics Analysis of RFID-EPC’s Impact on Reverse Supply Chain
GU Qiao-lun, Tianjin University of Technology and Education;
GAO Tie-gang, Nankai University ........................................................................................... 250

0039 The Implementation Framework and Path Research of Interorganizational Cost Management in Supply Chain
CHEN Xu, Harbin University of Commerce ................................................................................ 256

0040 Research on Economic Life Evaluation of Equipment under Infinite Plan
LIANG Xin, Navy University of Engineering, School of Military Economy;
ZHAO Huai-qiang, WANG Xin-ye, Navy University of Engineering .......................................... 263

Part Four  Market Establishment and Development
Modern Enterprise System and Business Process Re-engineering

0041 Factors Influencing Technological Entrepreneurship in Chinese Enterprises:
Preliminary Evidences from Guangdong Province
PETTI Claudio, University of Salento; ZHANG Shujun, Sun Yat-Sen Business School ...................... 271

0042 Value Measurement in the Voice of the Customer
ZHANG Xin-wei, AURIOL Guillaume, BARON Claude, CNRS, LAAS, Université de Toulouse;
MONCEAUX Anne, Intelligent and Semantic Systems, EADS Innovation Works ....................... 279

0043 The Relationship between Mission Statements and Corporate Social Performance
XU Er-ming, XI Yan-yan, Renmin University of China ................................................................ 287

0044 Subsidiary Initiative Effect in Enterprise Groups Network:
How Initiatives Drive Network Embeddedness Dynamic Changes?
WU Li-dong, HUANG Hai-xin, Nankai University ......................................................................... 296

0045 Rationing and Pricing with Strategic Consumer Behavior
XU Xian-hao, CHEN Wen, QIAN Chen, Huazhong University of Science & Technology ................ 307
Research on Asymmetric Trust Evolution in the Complex Products and Systems Cooperative Innovation Network
HAN Ya-pin, HU Long-ying, Harbin Institute of Technology .......................................................... 313

Online Advertising Channel Choice—Posted Price VS. Auction
ZHANG E, Shanghai University of Finance and Economics;
ZHUO Yi-qin, Northeast Securities Co., Ltd ................................................................. 321

The Integration of Manufacturing and Marketing:
Impact on Combinative Competitive Capabilities and Business Performance
CHEN Zhi-xiang, LI Li, Sun Yat-Sen University ........................................................................ 329

Evaluation of Cooperative Innovation Performance Based on Grey Model
WANG Dan, WANG Yi-qin, Harbin Institute of Technology .................................................. 335

Evaluation of the Regional Entrepreneurship Based on PCA
——A Demonstration Study of 31 Regions in China
YANG Hong-tao, LIU Dong-ping, Harbin Engineering University ........................................ 342

Research on Decision-making Effectiveness Factors of Top Management Team
GUO Ran, LIU Bing, YANG Zhan-li, Hebei University of Technology ................................ 348

The Integration of Manufacturing and Marketing:
Impact on Combinative Competitive Capabilities and Business Performance
CHEN Zhi-xiang, LI Li, Sun Yat-Sen University ........................................................................ 329

Evaluation of Cooperative Innovation Performance Based on Grey Model
WANG Dan, WANG Yi-qin, Harbin Institute of Technology .................................................. 335

Research on the State-owned Enterprise Operators Demand Analysis
YANG Shui-li, QIN Ting, XU Li-jing, Xi'an University of Technology ...................................... 375

Research on Growth of Professional Manager and Sustainable Development of Family Enterprise:
A Review Based on Trust Expansion
LU Jie, WANG Jun, XU Yan, Jiangsu University ................................................................. 388

Research of Enterprise Strategic Performance Evaluation System
Based on Partial Least Square-Structural Equation Modeling
ZHOU Zhi-hua, Harbin Institute of Technology, Heilongjiang University;
JU Xiao-feng, Harbin Institute of Technology ........................................................................... 394

The Impact of Financing Motivation on Development Strategy Orientation of Entrepreneurial Firms
YAO Zheng, CHENG Yue-kai, JIN Lie, Zhejiang University .................................................. 401

Organization Analysis: An Application of Cusp Catastrophe Theory
SAERUE Yingluk, ZHANG Tie-nan, Harbin Engineering University ....................................... 410

Organization Trust of Employees and Its Measurement
YAO Yan-hong, LIU Cai-zhuan, Hunan University .............................................................. 416

The Influence Factors of Customer Recognition Research—Based on Perceived Value
YE Zhan-hui, QIAN Qing-qing, ZHOU Yu, South China University of Technology .......... 421

The Study on Corporate Strategic Performance Evaluating Indicator System
Based on Value Chain
LEI Hui, LI Ai, SHAO Hua-wei, Hunan University ................................................................. 427
Managers’ Political Connection, Corporate Diversification Strategy and Enterprise Growth: Evidence from China’s Listed Company of Manufacturing Industry

SUN Jing, Zhejiang University

Research on Recycling of CNC Machine Tools Based on Fuzzy Analytic Hierarchy Process

YU Tian-biao, ZHANG Tian-rui, WANG Wan-shan, Northeastern University

The Analysis on the Value Drivers of Agriculture High-Tech Companies Based on the Balanced Scorecard

WANG Xiao-wei, Harbin Institute of Technology

Study on Pricing Level of C2C Electronic Commerce Platform

PENG Li-liang, TIAN Jiang, University of Electronic Science and Technology of China

An Empirical Study of the Relationship between Staff Department Status and Effectiveness in Chinese SOEs

GAO Jun-shan, CAO Yong, PENG Chang-gui, University of Science and Technology Beijing

Board Information and Board Strategic Involvement

LI Xiao-qing, Yanshan University, Nankai University; YIN Cui-fang, YUAN De-li, JIN Yuan-yuan, Nankai University

Empirical Analysis of the Relationship between Listed Companies’ Ultimate Control and Corporate Performance

WANG Pei-xin, QIN Zhi, Harbin Institute of Technology; FU Shu-min, BEIYA Medical Oil Corporation in Tieling

Evolutionary Game Analysis on Hidden Irregularity of Processing Enterprises in Dairy Supply Chain

FAN Bin, LI Cui-xia, Northeast Agricultural University

The Content of Person-Organization Fit: A Multidimensional Framework

XI Yu-qin, Donghua University

Measure Analysis of Restructuring Contributions to KunGangJiaHua of YunNanKunGang Cement Building Materials Co., LTD

SU Fang, Wuhan University of Technology

QIU Qi, University of International Business and Economics; YAO Tang, Beihang University

Research on the Formation Mechanism of the Innovative Enterprises Growth Path in Less Developed Regions

GUO Tao, NIU Xiao-meng, Harbin Engineering University

Research on Product Market Competition and Risk of Assets

WEI Lin, XU Li-wen, Tianjin University of Finance & Economics

Research on Key Technologies of Networked Technical Service Oriented Product Process

DING Jun-mei, GUAN Peng, YU Tian-biao, WANG Wan-shan, Northeastern University

Competitive Strategy, Strategic Human Capital and Sustained Competitive Advantage

ZHANG Yan-li, GAO Su-ying, ZHANG Jin, Hebei University of Technology

Is Cronyism Always Negative? A Model of Organizational Appointment Based on Structure of Guanxi

CHEN Hong, China University of Mining and Technology

Impact of Objective and Subjective Task Complexity on Employee Performance and Satisfaction: Moderating Role of Psychological Capital

TIAN Xi-zhou, Chongqing Technology & Business University, Fudan University; XIE Jin-yu, Fudan University
Part Five  Macroeconomic Management

International Trade and Technology Exchange

0089  The Grey Relational Analysis of Manufacturing Industry Innovation and Local Administration
       BI Ke-xin,  Harbin University of Science and Technology,  Harbin Engineering University;
       ZHENG Zhi-wen, YANG Shu-fang,  Harbin University of Science and Technology......................595
0090  The Analysis of Inter-specific Relationships and Stability
       Based on the Creative Value Creation Ecosystem
       TAN Na,  GAO Chang-chun,  Donghua University.................................................................603
0091  Study on the Scientific and Technological Innovation and the Competitiveness Enhancement
       of Green Food Industry in Heilongjiang Province
       WANG De-zhang, WANG Jin-liang, JIA Jun-jie,  Harbin University of Commerce.................610
0092  Study on the Characteristics of Motherland Distribution of Foreign Partner
       of Joint Venture in China
       LI Xiu-feng,  LIU Xi-yu,  Shandong Normal University;
       JING Run-tian,  University of Electronic Science and Technology of China;
       HU Hai-zhen,  Shandong Normal University ........................................................................616
0093  Empirical Research on the Relationship of Export Trade and Carbon Emissions
       GUO Jing-yuan, LIU Jia-ting,  Harbin Institute of Technology..................................................624
0094  The Measurement of Regional Technological Capability in China: An Empirical Study
       WANG Zhen-qin, WANG Wei-cai,  University of Science and Technology Beijing ..................630
0095  Ownership, Competition, Corporate Governance and Performance:
       Evidence from the Chinese Listed Companies in Utilities Sectors
       GAO Yue,  Dongbei University of Finance and Economics, ..................................................637
0096  The Evaluation of the Urban Evolution of Binhai New Area
DING Mei,  HAO Xiao-hua,  GAO Su-ying,  LIU Jian-zhao.  Hebei University of Technology

0097  Cointegration Analysis of the Export Trade and Energy Consumption of Beijing
LI Xin,  Beijing Institute of Petrochemical Technology;
WANG Yan-quan,  Beijing University of Chemical Technology

0098  Analysis on Efficiency of Chinese New Rural Cooperative Medical Insurance System
Based on DEA Method
WU Yan-ling,  Heilongjiang University

0099  An Empirical Research on the Relation between the Air Transportation and Economic Growth
ZHANG Hui-yun,  ZHU Mei-gui.  Civil Aviation University of China

0100  Trade Remedy Effect of US Antidumping Measures on China’s Agricultural Products:
From the Perspective of the Third Market
ZHU Jing,  HU Jun,  WANG Jun-ying.  Nanjing Agricultural University

0101  Study on the Relationship between Grain Production and Development of Animal Husbandry
LI Cui-xia,  LI Qian,  Northeast Agricultural University

0102  Study on Sustainable Competitiveness of the Forestry Resources Urban
—— A Case Study of Yichun City
FU Cun-jun,  GENG Yu-de,  Northeast Forestry University

0103  Three-industry-structure Analysis Based on the VAR and VEC Models:
Empirical Study of Economic Data of Hangzhou from 1978 to 2008
YANG Chang-zen,  Guilin University of Technology;
LI Hui-min,  Affiliated Hospital of Youjiang Medical University for Nationalities

0104  Comparative Study on Economic Efficiency of Each Region in China
LI Guo-rong,  Jilin University,  Jilin University of Finance & Economics;
DING Yuan-yuan,  MA Min-na.  Jilin University of Finance & Economics

0105  Spatial-Temporal Statistical Analysis of Chengdu-Chongqing Regional Economic Structure Evolution
—— Based on Comparative Study with Five Major Economic Regions and Four Major Urban Groups
WU Yu-man,  ZHU Sheng,  Chengdu University of Information Technology;
FAN Jian-quan.  Tongji University

0106  Influencing Factors Regression Analysis of Low-carbon Agriculture in Heilongjiang Province
SHI Shuai,  Northeast Forestry University,  Northeast Agricultural University;
CHEN Hong,  Northeast Forestry University

Part Six  Human Resource Management

Information Economy and Knowledge Economy

0107  The Influence of Big Five Personality Traits on Subjective Well-being:
Mediation of Job Satisfaction
ZHAI Qing-guo,  Bob O’Shea,  Mike, Willis.  University of Ballarat;
ZHAI Yu-Bo,  Melbourne University

0108  Work Support and Turnover Intention: The Mediating Roles
of Work-to-Family Conflict and Facilitation
ZHANG Li,  LIN Yu-chuan,  LIU Feng-jiang.  Harbin Institute of Technology

0109  Research on Effect of Knowledge Sharing in Industry-University-Research Cooperation-Innovation
CAO Xia,  HUANG Wei,  FU Xiang-mei.  Harbin Engineering University
0110 Empirical Research on Creative Human Capital of Family Enterprises: A Review Based on Sustainable Development in Yangtze River Delta Region of China

WU Meng-yun, LU Jie, Jiangsu University .................................................................740

0111 The Effect Mechanism of Employee’ Emotional Intelligence to Their Performance

LU Kang-yin, BAI Yan-guo, WANG Li-na, Northeast Normal University ..................746

0112 Effects of Paternalistic Leadership Behavior on Team Cohesiveness: The Mediating Role of Conflict Resolution Approaches

YUE Hou-ming, WU Bo, HoHai University ...............................................................754

0113 The Empirical Research on Regional Economic Convergence among Beijing, Tianjin and Hebei —— From Human Capital Perspective

ZHANG Shu-jian, ZHENG Jun-li, GAO Su-ying, ZHANG Yan-li, Hebei University of Technology ........766

0114 Discussions on the Role of Enterprises Culture of Daqing in Management of Petroleum Industry

SONG Yu-ling, North East Petroleum University;
SUI Shou-xin, University of International Business and Economics;
DONG De-fa, North East Petroleum University .......................................................773

0115 Research on Human Resource Plan Model of Medium and Small Private Enterprise Based on Spanning Development Strategic —— With Medium and Small Private Enterprise as an Example

SONG Shu-li, Heilongjiang Bayi Farm University ......................................................778

Part Seven Fiscal, Investment Banking, Financial Engineering and Financial Mathematics under Market Economy

0116 Licensing as a vehicle of External Finance under Network Effects

XUE Ming-gao, SU Li-li, WANG Xiang-yang, Huazhong University of Science and Technology ..................787

0117 Empirical Study on the HMM of Nonlinear Nominal Exchange Rates

ZHANG Shuo, HUI Xiao-feng, Harbin Institute of Technology ..................................794

0118 An Empirical Research Study on Investment Expenditure & Cash Flow Based on Growth Differences of Listed Companies: Evidence from China

LI Yan-xi, LIU Ling, CHEN Ke-jing, LI Ning, Dalian University of Technology ...802

0119 Convertible Bond Pricing Model Based on Copula Approach

CHEN Rui, Huazhong University of Science & Technology, University of Cambridge;
GONG Pu, Huazhong University of Science & Technology ....................................811

0120 Research on the Effect of Diversification Strategy on Analyst Following in Chinese Listed Companies

SONG Hai-xu, WANG Fu-sheng, Harbin Institute of Technology ..............................817

0121 Study on Auditing Immune System: Based-on Data Envelopment Analysis

HUANG Jin-zhi, Harbin Engineering University;
HUANG Yi, Northeastern University ...........................................................................823

0122 Empirical Research on the Day-of-the-week Liquidity Patterns in Chinese Stock Index Futures Market

YE Qiang, WANG Xiao-lin, Harbin Institute of Technology;
TONG Wei-min, LIU Wen-cai, China Financial Futures Exchange;
KOU Yi, Harbin Institute of Technology ........................................................................829
