2012 Fifth IEEE International Workshop on Requirements Engineering and Law

(RELAW 2012)

Chicago, Illinois, USA
25 September 2012
## Contents

**Foreword** ................................................................. iii

**Drafting and Modeling of Regulations: Is It Being Done Backwards?**  
Edna Braun, Nick Cartwright, Azalia Shamsaei, Saeed Ahmadi Behnam, Greg Richards, Gunter Mussbacher, Mohammad Alhaj, and Rasha Tawhid — *Transport Canada, Canada; University of Ottawa, Canada; Carleton University, Canada*  .............................................. 1

**Measurement-Oriented Comparison of Multiple Regulations with GRL**  
André Rifaut and Sepideh Ghanavati — *CRP Henri Tudor, Luxembourg; University of Ottawa, Canada*  .......................................................... 7

**Software Licenses, Coverage, and Subsumption**  
Thomas A. Alspaugh, Walt Scacchi, and Rihoko Kawai — *UC Irvine, USA; Saitama Institute of Technology, Japan; National Institute of Informatics, Japan*  .................................................. 17

**Licensing Security**  
Thomas A. Alspaugh and Walt Scacchi — *UC Irvine, USA*  ................................................................. 25

**Extracting Meaningful Entities from Regulatory Text: Towards Automating Regulatory Compliance**  
Krishna Sapkota, Arantza Aldea, Muhammad Younas, David A. Duce, and René Bañares-Alcántara — *Oxford Brookes University, UK; University of Oxford, UK*  .................................................. 29

**Defining and Retrieving Themes in Nuclear Regulations**  
Nicolas Sannier and Benoit Baudry — *EDF, France; INRIA, France*  ................................................................. 33

**Towards Successful Subcontracting for Software in Small to Medium-Sized Enterprises**  
Bernd Westphal, Daniel Dietsch, Sergio Feo-Arenis, Andreas Podelski, Louis Pahlow, Jochen Morsbach, Barbara Sommer, Anke Fuchs, and Christine Meierhöfer — *University of Freiburg, Germany; Saarland University, Germany; University of Mannheim, Germany*  ........................................... 42

**Assessing Identification of Compliance Requirements from Privacy Policies**  
Jessica Young Schmidt, Annie I. Antón, and Julia B. Earp — *North Carolina State University, USA*  ................................................................. 52
