2012 Seventh IEEE International Workshop on Requirements Engineering Education and Training

(REET 2012)

Chicago, Illinois, USA
24 September 2012
Contents

Foreword ........................................ iii

Requirements Engineering Education and Training
Case-Based Stories for Traceability Education and Training
   Orlena C. Z. Gotel and Stephen J. Morris — City University London, UK ........................................ 1
Using RE Knowledge to Assist Automatically during Requirement Specification
   Thorsten Merten, Thorsten Schäfer, and Simone Bürsner — Bonn-Rhine-Sieg University of Applied Sciences, Germany 9
