# TABLE OF CONTENTS

SPE 126706 HSE for Youth—Reinforcing an HSE Culture to Employees, Families and Communities in the Oil and Gas Industry .................................................. 1
Juan-Carlos López, Muriel Barnier, Luisa Palacios, Lina Arce

SPE 152438 Step Change in Driving Performance: A Case Study ................................................. 7
Juan-Carlos López, Ahmed Zidan

SPE 156811 From Research to Practice: A Story of an Actionable Safety Leading Indicator Index .................................................. 17
Joe Stough

SPE 156852 Available Technologies to Prevent Cell Phone Use while Driving .................................. 29
Corey Catten

SPE 157450 Innovative Ways to Inspire New Employees to Embrace an HSE Culture ............................ 45
Pierre Bordage, Chris Fox, Lina Arce, Gonzalez Villarreal, John Zambrano

SPE 157451 Assessment and Strategic Approach for Ergonomic Issues in Critical Jobs in the Oil and Gas Workforce .................................................. 49
Ulloa J. Herman, Rodríguez M. Paola

Tam Nguyen, Gabriella Herzog, Bert Fokkema, Julie Vallat, Roper Cleland

SPE 165591 Introducing Resources in Oil Spill Trajectory Modeling—Contingency Analysis .................. 69
A. Ranieri C. Viana, A. De Castro Lyra, G. Lutz M. Petry, F. De Andrade, D. D. Santos, Julio C. Pellegrini

SPE 165593 Oil Spill Response Equipment and Techniques for Waxy Oils in Brazil .............................. 76
Adriano Ranieri, Ana Paula Lyra. Bianca Lemos, Gustavo Lutz, Flavio Andrade

SPE 165594 A Study of Rollover Occupant Injury Mitigation Using Dynamic Testing to Evaluate Alternative Protection Systems .......................... 89
S. Bazzini, J. Jimenez, D. Friedman

SPE 165595 Ensuring Regulatory Compliance when Transporting Hazardous Materials in Brazil .............. 100
G. S. Correia Firmin, J. J. Zambrano Celly

SPE 165596 Social Responsibility - A Comparative Study of Oil Majors - Who Is the Best? ................... 105
Abouzar Yousefi, Carlos Mataix Aldeanueva

SPE 165597 Obesity in the Oil and Gas Industry Population ........................................................ 113
A. M. França, G. Frigotto, J. J. Zambrano Celly

SPE 165598 Methods To Establish Canopy Bridges To Increase Natural Connectivity in Linear Infrastructure Development .......................................................... 119
T. Gregory, F. Carrasco Rueda, J. Deichmann, J. Kolowski, M. Costa Faura, F. Dallmeier, A. Alonso

SPE 165599 Integral Management of Risks: From Corrective to Preventive Approach .......................... 129
E. F. Oliveros Montes

SPE 165600 Benefits of a Dedicated Industrial Water Treatment Plant ................................................ 138
K. Pazmiño Aldaz, J. Kohatsu

SPE 165601 Integrity Management System Based on Risk Analysis: A Tool To Prevent Failures on Pipelines Crossing Amazonian Jungles and the Andes .................................. 141
J. Malpartida Moya

SPE 165602 Integrity Management for Third Party Damage of Transportadora de Gas del Peru (Camisea Project) .............................................................. 152
Carlos Del Rio Astorayme

SPE 165603 Assessing Risks and Regulating Safety Standards in the Oil and Gas Industry: The Peruvian Experience .............................................................. 160
A. L. Vásquez Cordano, J. Salvador Jácome, R. García Carpio, V. Fernández Guzmán

SPE 165605 Integrating Safety Management Practices to Manage Operational Risks of Multiple Contractors in Offshore Drilling Ventures ........................................ 176
A. Ranieri, P. Perez, T. Muniz

SPE 165606 Cardiovascular Risk Impact in the Oil Industry .............................................................. 185
Uribe M. Teresa

SPE 165607 Working Together: Community Environmental Monitoring Program in Upper Urubamba .............................................................. 192
R. Guarderas, A. M. Urrutia

SPE 165608 Social Risk Management Cheat Sheet: Management Strategies for the Oil and Gas Industry .............................................................. 198
Atma S. Khalsa
SPE 165611 The Human Chain - A Different Approach to Behavior Safety Program Through the Use of Social Marketing Concepts ................................................................. 204
  E. Daher
SPE 165612 Passive Protection System in Temporary Storage of Flammable Liquids ...................................................... 216
  J. Guerrero Silva Solis, C. Videla Ivanisevich, W. A. Rivadeneira Caicedo
SPE 165613 The Challenges for the Treatment of Drilling Fluid Wastes Generated by E&P Industry in Brazil ......................................................... 225
  G. B. Dos Santos, J. Veloso
SPE 165616 Improving Social and Environmental Outcomes ................................................................. 234
  D. R. Lanius
SPE 165617 Building Strong Stakeholder Relations and Minimizing Operational Risks in the Oil and Gas Industry Through Market-based Certification ........................................ 237
  V. Santos, F. L. Benalcazar, S. Valdivieso
SPE 165618 The Social Side of Unconventional Oil and Gas in Latin America .................................................. 242
  M. B. Snodgrass
SPE 165621 Gas Treatment Model and Simulation on Pre-Salt Marine Petroleum Production Facilities ................................................................. 260
  C. Fernandes, J. L. Ponce Maia, M. V. Da Silva Neves
SPE 165623 Biodiversity Management in a Gas Pipeline in Peru ................................................................. 275
  G. Vilca, A. Garcia, E. Tovar, G. Sulca
SPE 165625 Safety Management of Steel Pipes Road Transportation Project .................................................. 284
  D. Guadalupe
SPE 165629 A Suggestion of Decision Making Methodology to Assist Oil Companies Develop Shoreline Protection and Cleanup Plans .................................................. 309
  Adriana Van Der Ven, Bruna Rustichelli, Marushka Pina, Pedro Perez
SPE 165631 Contributions to the Design of a Methodology for the Monitoring of the Impacts of Habitat Fragmentation on Biodiversity Under an Adaptive Management Approach on a Pipeline Project in the Lower Urubamba, Peru .................................................. 315
  M. Panta-Corzo, A. Watson, C. Chung, C. Ahumada, C. Videla
SPE 165632 Validation of a Biological Monitoring Design in Highly Diverse Tropical Forests ........................................ 324
  K. Caro, E. Enriquez, E. Juscamayta, E. Oyague, J. Cabrera, Knight Piésold, C. Chung, C. Ahumada, A. Watson, C. Videla
SPE 165633 The Role of Quantitative Risk Analysis (QRA) in Risk Management .................................................. 335
  O. Mata
SPE 165634 Mature Field Subsurface Integrity: Formulation of New Paradigm through Holistic Diagnostic Approach for D-Field, Malaysia .................................................. 355
  Wan Rokiah Ismail, Almag Fira Pradana
SPE 165635 Identifying and Avoiding Sensitive Habitats in Petroleum Operations ........................................ 366
  J. L. Deichmann, M. A. Higgins, R. Linares-Palomino, F. Carrasco Rueda, M. Costa Fauru, F. Dallmeier, A. Alonso
SPE 165636 Advanced Surveying Techniques Help Increase Hydrocarbon Production While Preventing Well Collisions and HSE Risks .................................................. 376
  Benny Poedjono, Elias Chamat Burgos, Luis Felipe Gonzalez, Alfredo Aparicio Nava, Danny Ochoa, Cesar Alejandro Naveda Garzon
SPE 165640 Human Rights as a Management System, an Integrated Strategy Based on the UN Guiding Principles .................................................. 394
  L. F. De Angulo, E. M. Goucem
SPE 165641 Recycling Water: Case Studies in Designing Fracturing Fluids Using Flowback, Produced, and Nontraditional Water Sources .................................................. 407
  Lucas Fontenelle, Melissa Weston, Paul Lord, Johanna Haggstrom
SPE 165642 Development of a Profitable Greenhouse Gas Emissions Reduction Strategy ........................................ 412
  D. Robinson, I. Russo, E. Stricklin
SPE 165643 Improvement in Mechanical Lifting Safety Performance Through a Supervisor Training Program .................................................. 423
