166th Annual Meeting of the American Psychiatric Association 2013

2013 Poster Abstracts

San Francisco, California, USA
18-22 May 2013

Sessions 1 & 2
Resident/Medical Student Competition Posters  1

This is an “open invitation” format where medical students and residents attending the Annual Meeting are
couraged to present one (1) poster of their choice in one of four research and non-research competition
categories:
A  Community Service
B  Curriculum Development and Education
C  Patient Care and Epidemiology
D  Psychosocial and Biomedical

The editors of the journal Academic Psychiatry review abstract submissions and view the posters at the time of
presentation. First and runner-up awards are presented in each of the four categories.

Session 3
International Poster Session  67

This is an “open invitation” format inaugurated by APA President Dilip Jeste, M.D., where international attendees of
the Annual Meeting are encouraged to present one (1) poster of their choice, research or non-research focused, to
celebrate contributions to psychiatric research and practice worldwide.

Sessions 4-12
New Research and Young Investigator New Research Posters  103

These posters report the findings of completed research in areas of both basic science and clinical research.
Submissions are peer reviewed by the Scientific Program Committee members and consultants. Submissions must
be at or above the threshold grade established by the Committee to be accepted for presentation.
