</tbody>
</table>
Teaching Exploration and Practice on Classification Training of the Course Principle of Metal Plastic Forming .................................................................308
Analysis of the Advantages of the Full-time Engineering Master's Cultivation Mode.................................................................................................312
Junbo Zhou, Yang Liu, Chao Wang, Mingyang Han
Practice-oriented Vocational Education Teaching Reform of Mechatronic Specialty ..........................................................................................315
Yao-wu Shen, Jin-dong Yu, Fa-yun Deng
Multiple Correspondence Analysis on Rural Residents' Choices of Medical Institutions with Common Disease..........................................................321
Lili Zhu, Changhui Tang, Junwe Song, Zhiqiang Feng, Qingzhu Wen, Zhongqing Chen, Wenqi Yang
Study on Evaluation and Training of Communication Ability between Doctors and Patients among Clinical Medical Postgraduates in Higher Medical Education..........................................................328
Mengqi Tang, Zhiqiang Feng, Junwei Song, Changhui Tang, Lili Zhu, Zhongqing Chen, Wei Wang, Wenqi Yang
Research on the Relationship Among the Vulnerability of Village Clinic Doctors, Autonomy Tendency, Professional Identity and Turnover Intention..................................................................................333
Zhongqing Chen, Junwei Song, Changhui Tang, Zhiqiang Feng, Qingzhu Wen, Lili Zhu, Wenqi Yang
A Comparative Study on Higher Vocational Education for Construction Engineering Technology Majors in China and Australia.................................341
Yan Li
Improving Management Quality of Newly-Established Universities Laboratory by 5S Concept .............................................................................345
Ye BI
Research on the Development Model of Rural Three-Dimensional E-Commerce .................................................................................................350
Xiaoyu Zou
An Empirical Analysis of RMB Exchange Rate Changes Impact on PPI of China.................................................................................................354
Chao Li, Yonghui Yang
The Threshold Effect of Sci-tech Finance on Sci-tech Innovation—Empirical Analysis for Provincial Panel Data in China.................................................................360
Weike Zhang, Xiaoli Tian, Jiang Du
The Influence of Banks’ Liquidity in Macroeconomy .................................................................................................................................366
Xiaoshan Huang, Boyao Li, Weiming Zhang, Peiteng Shi
Empirical Research on Coordination Evaluation Method of Urbanization, Informatization and Greenization ..............................................................372
Jiangwen Yue
An Analysis of Knowledge-Power Structure and Orientalism.........................................................................................................................377
Yang Zhao
Analysis on Micro-lecture Design in Modern Distance Education ...............................................................................................................380
Yang Yang, Xiaohui Zhang, Dan Tian
Application of Multimedia Education Technology in English Teaching...........................................................................................................384
Peng Cheng, Hui Qu
Research on the Relationship between Psychological Capital, Knowledge Sharing and Innovation Behavior of Logistics Enterprises Employees .................................................................................................394
Bo Dong, Xi-Fu Wang, Ying Dong
Research on the College Students' Psychological Health Education Model under Internet Environment ................................................................399
Yumei Jing
The Study of Polluted Water Control Engineering Course Reform in Local Universities..............................................................................................405
Xue Li, Shiyang Zhang, Fei Li, Min Ruan, Xingheng Liao
A Study on the Origin of Ancient Chinese Private Garden Bridges........................................................................................................................409
Yang Li
Research on Character Shaping in Animated Film Monkey King .........................................................................................................................412
Chuang Chen
Research on Female Character Shaping in Hayao Miyazaki's Animation Film ........................................................................................................417
Xiangfei Ma
Research on Application of Chinese Culture in Animated Movie KungFu Panda .................................................................................................420
WeiPeng Wang
Analysis on Wushu Sanda of Zhang Kaiyin Wining Factor .............................................................................................................................423
Hongbo Zhao
Reform of Translation Teaching Mode of College English Test Band 4(CET-4)-- In the Perspective of Micro Curriculum and Flipped Classroom ......................................................................................................................427
Guiping Qin
Research on Waste Behavior of Current College Students .................................................................................................................................433
Yunchang Zhao, Yongchao Yue
The Inspiration of Ansai Paper Cut to Modern Design .................................................................................................................................437
Rongcheng Zou, Dong Feng, Zhao Dong
A New Trade Marketing Technology:Panoramic Demonstration Marketing of Products ..........................................................................................440
Zehang Tao, Xuebin Deng, Hong Chen, Fengyan Wang, Xiaohui Hou
Honesty Education to Chinese College Students ........................................................................................................................................445
Hongxin Ma, Yunchang Zhao
Differences of University Education Between China and the West .................................................................................................................................449
Qinghua Guan, Zhiya Liu
Investigation and Research on Status of Mental Health of 1091 Students in Changchun ...........................................................................................453
Li Sun
Analysis of English Idioms from Cognitive Perspective .................................................................................................................................458
Jingwei Zhang, Lina Yuan
Problems of Learning Through MOOCs for Local University Students and Countermeasures .......................................................... 462
Xiu-mei Wu

The Research on the Construction of Entrepreneurial Practice Platform for Undergraduates in Agricultural Colleges and Universities .......................................................... 466
Xiaodong Qin, Danhe Zhang

Study on the Performance and Control of the Folk Custom-Sparkler-Grabbing of Dong Nationality under Festival Tourism Perspective .......................................................... 470
Changgan Fang

Ecological Feminism in The Bluest Eyes .................................................................................................................. 473
Zhirui Ding

Research on the Characteristics and Teaching Strategies of International Students in Higher Vocational Colleges ................................. 477
Zebang Tao

Research on Investor Sentiment in the IPO Stock Market .................................................................................. 484
Zyu Liu, Han Yang, Weidi Zhang, Xiaoli Hu

Reform and Innovation of "Multimedia Technology and Application" Course .......................................................... 490
Yanlin Tao, Kunfang Xu

Airport Monopoly and Regulation: Practice and Reform in China ........................................................................ 495
Jiawei Huang

Deep Analysis on the Concept of "Economic Equipment Management" ........................................................................ 500
Zhongxin Qi, Siyuan Wei, Zhehuan Yu

Research on the Application of Case-teaching Method-------Take the Curriculum Management for Example .......................................................... 503
Liben Song

Research on the Influence Factors of Chinese Local Government Debt Scale .......................................................... 507
Kuan Li

Flipped Classroom Teaching Research on the Excellent Resource-sharing Course of Computer Aided Clothing Drawing .................................................................................................................. 512
Ru-Nan Jiang

Postponing Retirement and Its Influence on Growth in a Dynastic Model with Differences in Vocation .......................................................... 517
Xi Peng, Jiuxia Yu, Zhongchang Chen

Study of Cigarette Sales in the United States .................................................................................................................. 524
Cheng Ge

Study on the Transmission of Japanese Animation Culture ........................................................................ 530
Yurun Huang

Some Reflections on the Teaching of Color Sketch in Art Design .................................................................................. 534
Cui Xu

Analysis of the Role of Symbolic Language in Oil Painting Creation ........................................................................ 537
Cui Xu, Qianlin Qi

Construction of Urban Community Care Service in Our Country— Based on Survey of Empty Nesters in Beijing Beixinqiao Street .................................................................................................................. 541
Huizi Sun

Financing Mix of Residential Retirement Community Development Model and Risk Analysis .......................................................... 547
Xiaochuang Yang, Yan Teng, Yongqian Chen

The Influence of Deep Approach to Learning on Undergraduate Students' Vocational Interest Type - Based on the Survey from "211 Project" Universities .................................................................................. 552
Cheng Cheng

Exploitation and Utilization of Folk Sports in Physical Education's Teaching in Colleges and Universities .......................................................... 558
Ying Li, Wusi Yan

On the Injury of Finger Joints in Volleyball .................................................................................................................. 561
Fanghui Li, Ying Li

PART 2

Research on the Development and Inheritance of Local Folk Sports in the Construction of New Countryside .................................................................................................................. 564
Wen Wu, Ying Li

Study on the Cultivation of College Students' Employment Consciousness in Major of Physical Education .................................................................................................................. 569
Wusi Yan, Jun Xiao

Study on the Development Strategy of Rural Sports in the Construction of New Countryside .................................................................................................................. 573
Shumei Yi, Yong Li

Study on the Management Strategy of Chinese Swimming Pool Based on the Security Perspective .................................................................................................................. 577
Xiao Ju, Wen Wu

Business Group Internal Capital Market Excess Value Measure Research ........................................................................ 581
An Xu, Zhi-wen Gong

The Ultimate Holding Company, Corporate Governance Mechanism, and Information Transparency of Listed Companies .................................................................................................................. 585
Zhi-wen Gong, An Xu

Jingdezhen Plate on Technology .................................................................................................................. 591
Zhihua Xu

Ceramic Education Transformation and Drive Porcelain Art Design Innovation and Development .................................................................................................................. 597
Xiu-mei Wu
Influence of Knee Osteoarthritis and Aging on Isokinetic Muscle Strength of the Lower Limbs in Women
Yuliang Sun

The Relationship Between Physical Activity Levels and Cardiovascular Disease Risk Factors in Middle-aged Women
Yuliang Sun

New Pattern and Approach to Improve Quality of College English Classroom Teaching from Perspective of Micro Classroom
Xiyan Yuan

Exploring Confucius's Teaching Mode and the View of Teachers and Students
Shuyan Yi, Xia Liu, Yao Xu

Research on the Reference and Acceptance of Yangshen to Guo's Shanhai Jing Note
Shuyan Yi, Hao Wang, Yao Xu

Quantitative Analysis of Papers on Chinese Citation Analysis Research in Recent Years
Ping Zhang, Xindi Wang

On the Mobile English Teaching in College

A Study on Paratexts in Ian McEwan's Atonement
Weilong Huang

An Analysis of Sherwood Anderson's Expressionist Art in Winesburg, Ohio
Jiaying Meng, Zhifan Wang

A Literature Review on the Study of the Gender Differences in Language
Zhezhe Ma

Designing Practical Training System for EFL Learner Autonomy in View of Local Economic Development
Hua Huang, Ren, Chi Ma

On Enhancing EFL Learner Autonomy in Chinese College English Classroom System
Hua Huang, Ren, Chi Ma

On the Construction of Self Identity in Invisible Man
Guixia Wang

An Analysis of the Deepening and Broadening of China's Manufacturing Export
Yongshua Yang, Ying Chen

The Development Status and Path Analysis of the New Agricultural Social Service Organization in China
Lei Li

Mechanical Engineering Excellence Program Cultivation Model: Exploration and Practice
Yongbin Lai, Xin Chen, Xin Zhang, Qinhua Chen, Yijun Zhou, Guang Wu, Xuebin Li, Long Wang

Reality and Prospect: How does China Judge Choose Constitutional Remedy
Kai Chen

Evaluation of Goodwill Under Supply Side Reform

Cultivation of Innovation Consciousness of Teaching Management Personnel in Colleges and Universities
