2nd International Conference on Economy, Management, Law and Education (EMLE 2016)

Advances in Economics, Business and Management Research
Volume 20

Moscow, Russia
15-17 December 2016

Editors:

Eric McAnally
Yong Zhang

Tatiana Volodina
Irina Solovjeva

ISBN: 978-1-5108-3558-0
# TABLE OF CONTENTS

## ECONOMY

Research on Commercial Credit Financing of Rural Small and Medium-sized Enterprise Questionnaire Analysis Based on Small and Medium-sized Enterprises in Gaochun and Lishui Counties .......................................................... 1

Tingting Wu

Macro-environmental Analysis of Auto Parts Industries' Development of China Based on PEST Method .............................................................................................................. 7

Xiaoyan Du

Human Capital Investment and the Middle-income Trap - International Experience and Facts of China ................................................................. 11

Jun Feng

The Sharing Economy - A Comparison between China and Europe .......................................................................................................................... 16

Shanshang Xiao, Ti Wu

Study on the Collaborative Development of Beijing and Tianjin and Hebei Province from the Perspective of Low Carbon Economy ......................................................................... 24

Qiong Luo

Impact of Conducting Mergers and Acquisitions on Relieving Financial Constraint Based on the Evidence from Chinese Listed Companies ................................................................ 29

Yunhe Deng, Jian Wu

The Regional Economic Development in Hubei Province Under the Background of One Belt and One Road ........................................................................................................ 36

Lan Liu, Yafei Zhang

Empirical Analysis on International Competitiveness of China's Service Trade on the Basis of Diamond Model ........................................................................................................ 39

Dengxin Dong, Qian Zhang

Analysis on Land Outflow of Agricultural Transfer Population from the Perspective of Generational Differences ........................................................................................................ 44

Yanbo Zhou, Chao Zhang, Taoqiang Cheng, Xiaomei Cao

Study on Industrial Structure Optimization of Shaanxi Province Based on Improved Genetic Algorithm ................................................................................................................. 49

Qunwei Wang, Gangqiang Zha, Shouzhi Xi

Study on Conflicts and Integration between Internet Finance and Traditional Finance ............................................................................................................. 54

Yan Dai

Discussion on Cost Control of Logistics Enterprises from the Perspective of Logistics Operation Function ................................................................................................................ 59

Zhifeng Shen, Xiaoli Li

Family Echelon Flow of Migration Rural Population - Evidence from Liaoning Province .............................................................. 66

Min Li, Qiubing Wang, Yuchong Tan

Cost and Benefit Analysis of Distributed Photovoltaic System - A Case of Beijing-Tianjin-Hebei Region .................................................................................................................. 71

Yingling Shi, Yi Zuo

Agent-based Modeling of Consumer Purchase Decision-making Process Considering Quality of Web ............................................................................................................. 77

Nan Zhang

Measurement and Analysis on Influence of Land Expropriation on Peasants' Welfare* Based on Investigations on Shenyang Suburbs ........................................................................ 80

Wen Shi

Discussion on the General Level of Present Domestic Market Price and Countermeasures in China .................................................................................................................. 84

Xiantao Zhang, Shihui Liu

Review of China's Household Contract Responsibility System with Remuneration Linked to Output .......................................................................................... 88

Xia Lei, Yan Zhang, Shanshan Li

Art Design Competition and Students' Innovation Ability Training Taking Binzhou University as an Example ........................................................................................................ 92

Mi Yang
Thoughts on Personnel Training Program of Environmental Design Majors in Comprehensive Universities in the Mid-west of China in the New Period................................................................. 96
Tianshun Hu, Yunjia Wei

Study on Influence Factors of Famers' Willingness to Accept Ecological Compensation Living in Wetland Area Based on the Investigation for 322 Households in Poyang Lake Wetland .................................................. 100
Xiaowen Gan, Fangqin Chen

Assessment for Food Cold Chain Logistics Use Willingness under the Applied Transformation - Taking Changle District Residents as an Example .................................................. 105
Mei Chiao Lai, Chin Jung Lin, Chen Jen Hung

The Factors Influencing the Repurchasing Intention of Bank Insurance in Taiwan ................................................................. 110
Jie Zh, Meichiao Lai, Wuder Tsay

Empirical Research on Free Trade Area (FTA) Promoting China's Economic Growth - Taking China-ASEAN Area as an Example ................................................................. 115
Hongyue Li

Research on Upgrading Path of China's Equipment Manufacturing Industry under Carbon Tax Policy................................................................. 118
Zhongmin Ma, Qianqian Wen

Empirical Research on Evaluation of Internal Control Effectiveness of Administrative Institutions - Taking "S" Water Resources Bureau as an Example ................................................................. 121
Jingui Zhang, Qing Wang

Study on Washington's Economizing Economy Principle ................................................................. 127
Yuyan Zhao

Analysis on Economic Development of the Service Area in Tonghua Normal University ................................................................. 130
Guangyi Liu

Game Study on the Entity in Green Building Market in China ................................................................. 133
Yuping Bai

Study on the Reform of College Student Management Mode Based on the People-oriented Principle ................................................................. 137
Wenxiu Li

Research on Economic Rationality of the Emergence of Industry Association ................................................................. 140
Feng Xiao

Research on Internationalization of Hotel Industry ................................................................. 144
Xiaosi Song

Study on the Transformation and Upgrading of Equipment Manufacturing Industry in Jiangsu from the Perspective of Global Value Chain ................................................................. 148
Rong Wang

MANAGEMENT

Socio-Cultural Aspect of Thriftiness ................................................................. 152
Irina Lyskova

Discussion on Interactive Mechanism of Law Education of Undergraduate Course and Vocational Education of Law ................................................................. 155
Xuan Gao

The Solution of Irregular Driving Behaviors in Urban Traffic Management ................................................................. 160
Jingdian Yang, Huiping Zhang

Review of the Research on the Clean System of Chinese Universities ................................................................. 164
Gaohe Wang

Study on the Development Path of the Mixed Ownership Vocational Colleges ................................................................. 170
Xianzhang Xin

The Countermeasures of Officials Just Going through the Motions under the New Normal* ................................................................. 174
Jie Gu, Zeng Wang

Research on Problems of Tourist Traffic Management in the North Scenic Area of Changbai Mountain* ................................................................. 178
Mingji Liu, Liguang Zhao, Wen Ouyang

Analysis on Problems in Management of Hot Spring Scenic Spot in the North Slope of Changbai Mountain* ................................................................. 183
Liguang Zhao, Mingji Liu, Xuelian Zheng

Study on Innovation of Social Pension Service System under the Aging Population - A Case Study of Hubei Province ................................................................. 187
Zehong Deng, Juan Li
Research of the Role that Local University Libraries Played in the Service for the "Three Rural Issues"  
Gemin Li  

How to Construct Digital Libraries in the Information Age  
Gemin Li  

Ways Selectable to Promote Governmental Purchase of Pension Service  
Zhaxin Wang  

The Cultural Path of Governance Group Anomie Behavior in Chinese Local Authority  
Fengxi Gao  

Discussion on Problems in Student Management of Private College under New Situation and Its Countermeasures  
Zhenpeng Zhao  

Investigation and Analysis on Current Situation of Teaching Secretary Team in Higher Vocational Colleges - Taking Guangdong Industry Polytechnic as an Example  
Wangli Gao  

The Employment Difficulties of Retired Athletes in China and Its Path Analysis  
Keqing Sheng, Furong Yang  

Study on the Impact of Big Data on Enterprise Accounting Data and Countermeasures  
Qin Liu, Yongju Gu, Zhonglin Tang  

Study on Influence Mechanism of Leader-member Exchange Differences to Team Performance  
Mengchao Liu  

The Construction of the Long-term Mechanism of the Ecological Environmental Governance in Our Country  
Yu Ding, Chengcheng Zou  

The Dilemma of Smart Healthcare Development in China from the Perspective of Public Policy and Its Countermeasures - Taking Hubei Province as an Example  
Junheng Sun, Xingchen Chen  

Study on Ways to Develop Sports for Staffs of China Xinjian Group  
Jiang Zhou, Juhong Li  

Directory Management System Path Choice for the Regulation of Electric Bicycle  
Manman Zhou  

A Rational Distribution of General Administrative Law-enforcing Powers in China's Urban Management  
Jing Xiang  

How Social Entrepreneurship Creates Social Value  
Siyi Cheng  

Internal Controls Defections of Small and Medium-sized Enterprises  
Yi Zheng  

Research on Mechanism of Achievements Transformation in University Science Parks Based on Market Orientation  
Kun Zhang, Xiaoyuan Yang  

Discussion on Fine Development of Vocational College Management  
Bianling Zhang  

Research on Strategic Performance Evaluation of Bright Dairy  
Maomao Chen  

Institutional Obstacles and Suggestions about Implementation of Chinese Tiered Medical Pattern  
Shanshan Li, Xia Lei, Fanghui Hu, Xin Li, Ping Shi  

Study of the Integrated Risk Management of Construction Project Based on Knowledge Integration  
Rong Zhu, Sudi Gao  

Research on Present Situation and Development Strategy of HOPSCA in Linyi City  
Zhongxiu Liu  

Research on Application of PPP Pattern in Medical Treatment and Public Health of China  
Yun Zhou, Siyi Jiang  

Problems in the Development of Green Tourism in Henan and Its Countermeasures  
Yachang Wang  

Research on Academic Management of Universities From the Perspective of Governance  
Nan Ding  

Analysis on the Present Situation of College Classroom Management and Its Countermeasures  
Zhenglei Dong  

Referee's Influence on Competition Order in Dragonboat Race  
Lei Luo
