Volume 85

59th International Meat Industry Conference MEATCON2017
1–4 October 2017, Zlatibor, Serbia

Accepted papers received: 14 September 2017
Published online: 26 September 2017

Preface

011001
OPEN ACCESS
59th International Meat Industry Conference MEATCON2017
Leen van Ginkel, Jacques-Antoinne Hennekinne and Branko Velebit

011002
OPEN ACCESS
Peer review statement

Papers

012001
OPEN ACCESS
The importance of data collection for timely and accurate risk assessment
MB Gilsenan.....1

012002
OPEN ACCESS
Learning from Dioxin & PCBs in meat – problems ahead?
R Weber.....7
Food allergy and risk assessment: Current status and future directions

Benjamin C. Remington.....13

Predicting the role of veterinary medicine in future health and food safety challenges

N Fejzić and S Šerić-Haračić.....20

Toxoplasmosis as a food-borne infection

O Đurković-Daković.....27

Identification of species- and tissue-specific proteins using proteomic strategy

I M Chernukha, N L Vostrikova, L I Kovalev, S S Shishkin, M A Kovaleva and Y S Manukhin.....34

Research to lessen the amounts of curing agents in processed meat through use of rock salt and carbon monoxide

R Sakata, S Takeda, Y Kinoshita and M Waga.....41

Can long chain n-3 fatty acids from feed be converted into very long chain n-3 fatty acids in fillets from farmed rainbow trout (Oncorhynchus mykiss)?

M Lušnic Polak, L Demšar, U Luzar and T Polak.....46
012009
OPEN ACCESS
Public protection – reliable allergen risk management
V Janković, J Popov Raljić and V Đorđević.....55

012010
OPEN ACCESS
Rapid and reliable QuEChERS-based LC-MS/MS method for determination of acrylamide in potato chips and roasted coffee
S Stefanović, V Đorđević and V Jelušić.....60

012011
OPEN ACCESS
The role of food quality assurance and product certification systems on marketing aspects
Z Petrović, D Milićević, I Nastasijević, V Đorđević, D Trbović and B Velebit.....66

012012
OPEN ACCESS
Dietary habits of Serbian preschool and schoolchildren with regard to food of animal origin
V Đorđević, D Šarčević and M Glišić.....71

012013
OPEN ACCESS
Evaluation of nutritive quality of common carp, Cyprinus carpio L.
D Ljubojević, V Đorđević and M Ćirković.....78

012014
OPEN ACCESS
Sensory properties and fatty acids profiles of fermented dry sausages made of pork meat from various breeds
N Parunović, Ć Radović and R Savić.....84
Environmental footprints in the meat chain
I Đekić and I Tomašević.....95

Inactivation of pathogenic bacteria in food matrices: high pressure processing, photodynamic inactivation and pressure-assisted photodynamic inactivation

Microbial consortia in meat processing environments
V Alessandria, K Rantsiou, M C Cavallero, S Riva and L Cocolin.....107

Hepatitis E – a "new" foodborne disease
A Kirbiš and P Raspor Lainšček.....113

Brucellosis - the past, the present, the future
M Petrović and Ž Cvetnić.....119

Safety in Serbian animal source food industry and the impact of hazard analysis and critical control points: A review
I Tomašević and I Đekić.....123
Non-thermal inactivation of Noroviruses in food
B Velebit, R Petronijević and T Bošković.....130

Cold chain management in meat storage, distribution and retail: A review
I Nastasijević, B Lakićević and Z Petrović.....136

Food safety – the roles and responsibilities of different sectors
N Karabasil, T Bošković, M Dimitrijević, D Vasilev, V Đorđević, B Lakićević and V Teodorović.....146

Shedding light on food fraud: spectrophotometric and spectroscopic methods as a tool against economically motivated adulteration of food
R B Petronijević, B Velebit and T Baltyć.....151

Chromatography methods and chemometrics for determination of milk fat adulterants
D Trbović, R Petronijević and V Đorđević.....157

Effects of Inulin and Sodium Carbonate in Phosphate-Free Restructured Poultry Steaks
B Öztürk and M Serdaroğlu.....162
Prevalence and antibiotic resistance of Salmonella spp. in meat products, meat preparations and minced meat

M Rašeta, B Mrdović, V Janković, Z Bečkei, B Lakićević, D Vidanović and V Polaček.....174

The most important parasites in Serbia involving the foodborne route of transmission

J M Petrović, J Z Prodanov-Radulović and S D Vasilev.....181

Plants as natural antioxidants for meat products

V Tomović, M Jokanović, B Šojić, S Škaljac and M Ivić.....190

Milk: Past and Present

S Bulajić, J Đorđević, T Ledina, D Šarčević and M Ž Baltić.....199

New scientific challenges – the possibilities of using selenium in poultry nutrition and impact on meat quality

R Marković, M Glišić, M Bošković and M Ž Baltić.....206

Perspectives in production of functional meat products

D Vasilev, M Glišić, V Janković, M Dimitrijević, N Karabasil, B Suvajdžić and V Teodorović.....212

Yersinia enterocolitica in fermented sausages

R Mitrović, V Janković, B Baltić and J Ivanović.....168
012034
OPEN ACCESS
Pre-slaughter stress and pork quality
S Stajković, V Teodorović, M Baltić and N Karabasil.....219

012035
OPEN ACCESS
The role of veterinarian in the monitoring programs of mastitis control
M Maletić, V Magaš and J Maletić.....225

012036
OPEN ACCESS
Effect of modified atmosphere and vacuum packaging on TVB-N production of rainbow trout (Oncorhynchus mykiss) and carp (Cyprinus carpio) cuts
J Babić Milijašević, M Milijašević, J Dinović-Stojanović and D Vranić.....229

012037
OPEN ACCESS
Chemical and biotechnological processing of collagen-containing raw materials into functional components of feed suitable for production of high-quality meat from farm animals
M I Baburina, A N Ivankin and I A Stanovova.....233

012038
OPEN ACCESS
Meat-based enteral nutrition
O K Derevitskay and A S Dydykin.....239

012039
OPEN ACCESS
Use of artificial intelligence in the production of high quality minced meat
B R Kapovsky, V A Pchelkina, P I Plyasheshnik, A S Dydykin and A A Lazarev.....245
Aflatoxin M₁ in processed milk: Occurrence and seasonal variation with an emphasis on risk assessment of human exposure in Serbia

D Milićević, D Spirić, S Janković, B Velebit, T. Radičević, Z Petrović and S Stefanović.....250

Changes of pH and peroxide value in carp (Cyprinus carpio) cuts packaged in modified atmosphere

M Milijašević, J Babić Milijašević, J Dinović-Stojanović, S Vesković Moračanin and S Lilić.....256

Effect of chard powder on colour and aroma formation in cooked sausages

V V Nasonova and E K Tunieva.....261

Authentication of meat and meat products vs. detection of animal species in feed – what is the difference?

K Nešić, D Stojanović and Ž M Baltić.....267

Investigation of grass carp by-products from a fish farm in Vojvodina

Đ Okanović, T Tasić, Š Kormanjoš, P Ikonić, B Šojić, M Pelić and M Ristić.....274

Effects of replacing beef fat with pre-emulsified pumpkin seed oil on some quality characteristics of model system chicken meat emulsions

M Serdaroğlu, B Nacak, M Karabiyikoğlu, M Tepe, I Baykara and Y Kökmen.....279
012046
OPEN ACCESS
The influence of smoking in traditional conditions on content of polycyclic aromatic hydrocarbons in Petrovská klobása

S Škaljac, Lj Petrović, M Jokanović, V Tomović, T Tasić, M Ivić, B Šojić, P Ikonić and N Džinić.....285

012047
OPEN ACCESS
Effect of salting on back fat hydrolysis and oxidation

E K Tunieva, V V Nasonova, I A Stanovova, K I Spiridonov and A A Kurzova.....290

012048
OPEN ACCESS
Importance of medium chain fatty acids in animal nutrition

B Baltić, M Starčević, J Đorđević, B Mrdović and R Marković.....296

012049
OPEN ACCESS
The interactive effects of transportation and lairage time on welfare indicators, carcass and meat quality traits in slaughter pigs

N Čobanović, D Vasilev, M Dimitrijević, V Teodorović, N Parunović, N Betić and N Karabasil.....303

012050
OPEN ACCESS
Distribution of mercury in leg muscle and liver of game birds from Serbia

S Janković, D Nikolić, S Stefanović, T Radičević, J Đinović-Stojanović, D Spirić and S Tanković.....310

012051
OPEN ACCESS
Listeria monocytogenes presence during fermentation, drying and storage of Petrovská klobása sausage

V Janković, R Mitrović, B Lakićević, B Velebit and T Baltić.....314
012052
OPEN ACCESS
Whole genome sequencing: an efficient approach to ensuring food safety
B Lakicevic, I Nastasijevic and M Dimitrijevic.....319

012053
OPEN ACCESS
Sodium and potassium content and their ratio in meatballs in tomato sauce produced with lower amounts of sodium
S Lilić, D Nikolić, Z Pejkovski, B Velebit, B Lakićević, V Korićanac and D Vranić.....323

012054
OPEN ACCESS
Colour and fat content as intrinsic cues for consumers attitudes towards meat product quality
M Ristić, K Troeger, J Đinović-Stojanović, N Knežević and M Damnjanović.....328

012055
OPEN ACCESS
The effect of essential oil from sage (Salvia officinalis L.) herbal dust (food industry by-product) on the microbiological stability of fresh pork sausages
B Šojić, P Ikonić, B Pavlić, Z Zeković, V Tomović, S Kocić-Tanackov, N Džinić, S Škaljac, M Ivić, M Jokanović and T Tasić.....333

012056
OPEN ACCESS
Determination of calcium content in mechanically separated meat
A Tasić, J Kureljušić, K Nešić, N Rokvić, M Vićentijević, M Radović and B Pisinov.....338

012057
OPEN ACCESS
Monitoring process hygiene in Serbian retail establishments
S Vesković Moračanin, T Baltić and L Milojević.....343
Physicochemical properties of honey from Serbia in the period 2014-2016

D Vranić, R Petronijević, J Đinović Stojanović, V Korićanac, J Babić Milijašević and M Milijašević.....348

Effect of vegetable oils on fatty acid composition and cholesterol content of chicken frankfurters

D Belichovska, Z Pejkovski, K Belichovska, Z Uzunoska and A Silovska-Nikolova.....354

Meat product based on porcine hearts and aortas ameliorates serum lipid profile and inflammation in hyperlipidemic rats

I M Chernukha, E A Kotenkova and L V Fedulova.....360

The relationship between the carcass characteristics and meat composition of young Simmental beef cattle

J Ćirić, M Lukić, S Radulović, J Janjić, N Glamočlija, R Marković and M Ž Baltić.....365

Distribution of manganese and selenium in four different pork cuts commercially available in the Serbian market

J Đinović-Stojanović, D Nikolić, S Janković, D Vranić, M Milijašević and J Babić-Milijašević.....371

A comparison between Warner-Bratzler shear force measurement and texture profile analysis of meat and meat products: a review

S Novaković and I Tomašević.....376
Conventional and unconventional extraction methods applied to the plant, *Thymus serpyllum* L.

D Đukić, P Mašković, S Vesković Moračanin, V Kurčubić, M Milijašević and J Babić.....382

Carcass quality traits of three different pig genotypes, White Mangulica, Duroc × White Mangulica and Large White pigs, reared under intensive conditions and slaughtered at 150 kg live weight

M Ivić, V Tomović, R Šević, M Jokanović, S Škaljac, N Džinić, B Šojić, T Tasić and P Ikonić.....387

Comparison of analytical methods for the determination of histamine in reference canned fish samples

S Jakšić, M Ž Baloš, Ž Mihaljev, J Prodanov Radulović and K Nešić.....392

Presence of sulphites in different types of partly processed meat products prepared for grilling

V Korićanac, D Vranić, D Trbović, R Petronijević and N Parunović.....398

Antimicrobial compounds of porcine mucosa

E A Kotenkova, E A Lukinova and L V Fedulova.....402

Isolation and detection of *Listeria monocytogenes* in poultry meat by standard culture methods and PCR

J Kurelušić, N Rokvić, N Jezdimirović, B Kurelušić, B Pisinov and N Karabasil.....407
OPEN ACCESS

Distribution of cadmium in leg muscle and liver of game birds from Serbia

D Nikolić, J Đinović-Stojanović, S Stefanović, T Radičević, D Trbović, D Spirić and S Janković.....411

OPEN ACCESS

Use of olive oil-in-water gelled emulsions in model turkey breast emulsions

M Serdaroğlu and B Öztürk.....415

OPEN ACCESS

Consumer perception and acceptance of pork and chicken sausage

M Ristić, K Troeger, J Đinović-Stojanović, N Knežević and M Damnjanović.....419

OPEN ACCESS

Changes in total viable count and TVB-N content in marinated chicken breast fillets during storage

T Baltić, J Ćirić, B Velebit, R Petronijević, B Lakićević, V Đorđević and V Janković.....424

OPEN ACCESS

Effect of starter cultures on survival of Listeria monocytogenes in Čajna sausage

M Bošković, V Tadić, J Đorđević, M Glišić, B Lakićević, M Dimitrijević and M Ž Baltić.....429

OPEN ACCESS

Some risk factors that affect contamination of mussels (Mytilus galloprovincialis) from the Bay of Kotor, Montenegro

N Grković, B Velebit, V Teodorović, N Karabasil, D Vasilev, V Đorđević and M Dimitrijević.....436
Characterization of biofilms produced by *Escherichia coli* O157 isolated from cattle hides

L Milojević, B Velebit, T Baltić, A Nikolić, R Mitrović and V Đorđević.....441

Antimicrobial resistance among *Salmonella enterica* serovar Infantis from broiler carcasses in Serbia

A Nikolić, T Baltić, B Velebit, M Babić, L Milojević and V Đorđević.....446

Allergen labelling in meat, dairy and cereal products from the Serbian market

D Spirić, D Nikolić, J Čirić, S Janković, S Stefanović, V Janković and V Teodorović.....450

The characterization of lactic acid bacteria isolated during the traditional production of Užička sausage

B Borović, B Velebit, S Vesković, B Lakićević and T Baltić.....455

Coccidiostats in unmedicated feedingstuffs for poultry

T Radičević, S Janković, S Stefanović, D Nikolić, J Đinović-Stojanović and D Spirić.....459

Verification of rapid method for estimation of added food colorant type in boiled sausages based on measurement of cross section color

J Jovanović, R B Petronijević, M Lukić, D Karan, N Parunović and I Branković-Lazić.....465
Incidence of *Salmonella* Infantis in poultry meat and products and the resistance of isolates to antimicrobials

V Kalaba, B Golić, Ž Sladojević and D Kalaba.....471

Antimicrobial-resistant bacteria in wild game in Slovenia

M Križman, A Kirbiš and U Jamnikar-Ciglenečki.....479

Effect of vacuum and modified atmosphere packaging on microbiological properties of cold-smoked trout

J Đorđević, N Pavličević, M Bošković, J Janjić, M Glišić, M Starčević and M Ž Baltić.....484

Somatic cell counts in bulk milk and their importance for milk processing

N R Savić, D P Mikulec and R S Radovanović.....490

Factors affecting elimination of polycyclic aromatic hydrocarbons from traditional smoked common carp meat

J Babić, S Vidaković, S Škaljac, B Kartalović, D Ljubojević, M Ćirković and V Teodorović.....495

Attitudes of Serbian food technology students towards surgical and immunocastration of boars and their sensitivity to androstenone and skatole

I Tomasevic, I Đekić, M Font-i-Furnols, M Aluwé, M Čandek-Potokar, M Bonneau and U Weiler.....500
